Please be advised that Lima Noon Sertoma does not approve multi-year funding requests. Lima Noon Sertoma evaluates each individual request using prescribed criteria set forth by the Sponsorship and Board membership. Regardless of past funding history, organizations should not assume they will receive money every year. However, we encourage you to submit an application when the cost of a special project exceeds the capacity of your general budget.

The Sponsorship committee meets on the third Thursday of every month. Completed applications must be received prior to this date each month in order to be considered. Please submit to the address at the top of this form.
